

About Hawks Volleyball

Hawks Volleyball is a developmental volleyball league stressing the teaching and learning of fundamental volleyball skills, sportsmanship and fun.

Hawks participate in the Arapahoe Youth League for girls and boys from 5 to 14 years of age. Hawks teams are divided by age group (5/6, 7/8, 9/10, 11/12, 13/14) and level of competition (American, or recreational; and National, advanced). Age group is determined by a players age as of August 1st prior to the spring season.

Hawks is an all-volunteer organization. Every coach, assistant coach, team mom/dad, gym organizer, AYL delegate, treasurer, president, vice-president, etc., is a volunteer parent. We aim to implement comprehensive coach and athlete development and training programs, and to manage growth in athlete numbers and raise the competitive levels of our teams. We strive to provide a true sports academy for athletes to learn to play and love their sports, and to train and develop coaches to make this possible. Making each of these goals a reality requires off-the-court effort by volunteers.
